

## QUALITY POLICY

We, at Electrosteel Steels Limited are committed to:

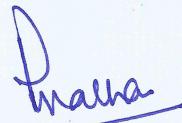

- Provide Products & Services that meet customer expectations and needs
- Achieve quality standards the first time and every time
- Comply with the requirements and continually improve the effectiveness of our Quality Management System through team work, training and motivation
- Providing safe working environment, aimed to achieve zero accident at workplace
- Formulate and widely communicate the aims & objectives
- Ensure the success through participation and involvement of all members of the ESL family

The Quality Policy and Objective will be reviewed for continuing suitability and will be communicated and understood within the organization through training and interaction.
